JUDGES from the UK paid tribute to the very high standard of entries in the Jersey Cat Club's championship cat show on Saturday.

Held at the Royal Jersey Showground in Trinity, the show attracted 112 entries from Jersey, Guernsey and the UK, which came under the scrutiny of the eight judges from around Britain.

Best in show

The cat judged to be best in show was a Jersey entry - Ms F Gallichan's foreign white neuter, Thairano Phoebe.

The award for the best pedigree pet in the household pet category went to Mrs D Wherry's semi-longhair tortoiseshell and white cat, Pandora.

Club president Paul Tomlinson said that they were delighted with the show and the way in

which the judges had congratulated the exhibitors for the high standard of their cats.

To round off the day, the club held a dinner at the Beachcombers Hotel in Grouville.
